

You don't call me in the morning
You don't call me in the afternoon
Leave a message you don't hit me back
Girl it feels like I'm just chasing you

[Chorus]

*It's all good, It's all good
It's all good It's all good,
Because I don't sweat it, babe.*

*It's all good, It's all good
It's all good It's all good,
Because I don't sweat it, babe.*

You keep saying this ain't working
Don't seem to care that leaves me hurting
Always too caught up with your Instagram
Tell(ing) me constantly I don't/never understand

Last night we're chilling with some Netflix
But it seemed you'd rather start domestics
Girl, I know that I'm not your perfect man
But these days you don't seem to give a damn

[Chorus]

*It's all good, It's all good
It's all good It's all good,
Because I don't sweat it, babe.*

*It's all good, It's all good
It's all good It's all good,
Because I don't sweat it, babe.*

Girl you're so sexy and you know it
So it's a shame you always have show it
Because I've seen but never mentioned
How you seem to love other guys' attention

Lately, I've made a hard decisions
And I'm not begging your permission
So don't accuse me of doing you wrong
When I tell you, girl, that I'm moving on

[Chorus]

*It's all good, It's all good
It's all good It's all good,
Because I don't sweat it, babe.*

*It's all good, It's all good
It's all good It's all good,
Because I don't sweat it, babe.*
