

You don't call me in the morning
You don't call in the afternoon
Leave a message you don't hit me back
Girl, it feels like I'm chasing you.

*It's all good, it's all good,
It's all good, it's all good
Because I don't sweat it babe.*

*It's all good, it's all good,
It's all good, it's all good
Because I don't sweat it babe.*

You're sexy and you know it
(But) you ain't afraid to show it
Got all the guys here lining up
Tempted feening for your touch *

(It) seems all you want's attention
And, baby, did I mention
(That) you keep playing all these silly games
But when I'm leaving you're the one to blame

*It's all good, it's all good,
It's all good, it's all good
Because I don't sweat it babe.*

*It's all good, it's all good,
It's all good, it's all good
Because I don't sweat it babe.*

I saw that selfie you were sending
So we should stop pretending
That when you say (that) there's nothing wrong
And nothing's really going on

If you wanna talk to other guys
Perhaps it's time we said goodbyes
I think you're way too caught up with yourself
Maybe you should get with someone else (because you know [adlib])

*It's all good, it's all good,
It's all good, it's all good
Because I don't sweat it babe.*

*It's all good, it's all good,
It's all good, it's all good
Because I don't sweat it babe.*

Girl I know I'm not a perfect man
But you don't really seem to give a damn
*[Need two more lines here
*]

So I've come to a decision
I'm not begging your permission
So don't say I'm doing you wrong
When I tell you girl I'm moving on.

[BRIDGE]
I can find another girl like you (if I want want)
